5. Information Security

Use the company password manager and enable multi-factor authentication on all accounts. Never share credentials. Company data must stay on approved, encrypted devices. Report any suspected phishing or breach to security@acme.example immediately; do not click suspicious links.

(Acme Corp Employee Handbook — page 6)

6. Onboarding

New hires complete orientation in their first week: IT setup on day 1, policy review on day 2, and a team introduction on day 3. A 30-60-90 day plan is agreed with your manager. Your buddy answers day-to-day questions during the first month.
